

# Instructions for the Prayer Booklet

1. First of all, print the booklet.
2. Cut around the outside **black dotted** line – shown here with the blue arrow.
3. Next, colour in the pictures the way you like.

4. Now fold in half along the centre **red solid** line (shown here with the blue arrow), so that you can still read the words and see the pictures.

5. Now cut along the **green dotted** line in the centre (shown here with the blue arrow). **Be careful not to cut beyond the green dots.**

6. Fold each side in half again along the solid lines so that you end up with a "fan fold" like this.

7. Now fold in half.

8. Next, unfold everything and then fold in half lengthwise so you can see a long strip of images on both sides.

9. Hold each end of the booklet and push together so the title page and back page are in place.

10. Crease firmly to finish the booklet. You can tidy the booklet up by *carefully* sticking the back of some pages.
